WASHINGTON AGENCY OF THE NEW YORK

PRINCIPAL ESTABLISHMENT IN NEW YORK.

The CANTON TEA COMPANY has been popularly known for many years, the side larged and oldest FA. Setablast fill proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New

cepted. They most zealously invite the attention of the inhabitants of Washington to their Agency, where the following assortments are always on hand; and they feel no leafation in stating, that wherever a single trial is unside, a very decided preference in given to the celebrated Teas of the CANAN TEA COLD AND THE COLD AND THE

Wellar's Patent Japan Liquid Paste

THE undersigned begs leave to call the attention of those desirous of using a good article of Blacking, to the abovenamed. The Manufacturer, knowing the excellen properties of this Blacking, sent sample to various person scuch as Boot Makers, &c.) also to several of the newspapers. The extincts uniderneath are from some of the papers they speak for the themselves, also several persons who tries in have called and such that days several persons who tries an appraisor to any thing they had exery used.

EXTRACTS FROM NEWSPAPERS.

Holler's Putent Japan Blacking in the name of an excel
ut article; we have seen it used, and can highly recomtend it.—N. American, April 15. By reference to another column, an advertisement will be found for an excellent article of Blacking, in a Liquid form, for Bloot, &c. it has been highly recommended by many who have tried it. If not only green, with very lift trouble, a bountiful jet polish, but retains it much longe than any other. It is sold by the agent of the manufactur-er at No. 20, Chestants street. Buy a bottle, one trial will prove the fact.—Phil. Ledger, April 23.

Wellar's Blucking is one of the most shining articles in ne market. Spiril of the Times, April 2,

Patent Blacking - Mr. J. Wellar, No. 30 Chesmut street has prepared a Patent Liquid Blacking, which produces a beautiful jet polish, and does not lajuar the leader. These who would have a polished understanding should read the advertisement in another column. — U. & Gazette, Moy 1. advertisement in about.

Wellar's Paient Jupan Blucking is about the best article
of the kind we have seen. The polish which it imparts to
the understandings of man is brilliant and lasting: we
have tried it, and it books us to say all this in its below.

[Keening Bulletin, June 7.]

The Manufacturer can produce numerous restinosists aiminer to the above, from private initiations and from other papers, but the above extracts are sufficient to convince any person that the manufacturer has not exaggerate, but that typon a fair trial the Blacking will be found as represented, excellent in every respect.
